

LEGO® Minecraft & Engineering
Winter 2014/2015
Grades 1-6

PROGRAM: We have combined two of our most popular workshops into one action-packed class of LEGO building! Participants will have the opportunity to explore the amazing world of Minecraft with LEGO. Create your very own Minecraft village complete with houses and crops or you can choose to construct an obsidian portal and the nether complete with lava, gravel, and bedrock! We will also explore the amazing world of LEGO engineering as we learn about motors, gears, and pulleys as we construct motorized vehicles, amusement park rides, elevators, and much more! Each participant will receive a custom made take home Minecraft character! Each session will feature new Minecraft & Engineering activities! **Note: Participants do not take projects home.**

LOCATION: Class is held at the Exeter Recreation Center, 32 Court Street, Exeter.

REGISTRATION: Registrations are accepted at the Exeter Recreation Office during our business hours, on-line, mail or over the phone. Registration is open to Students of Exeter and surrounding towns, on a first-come, first-served basis. All participants must be registered for the program prior to class start date. Registrations will not be accepted the day of the class. A medical release form must be completed and payment must be paid at the time of registration.

FEE: Please make your check payable to E.P.R.D. Visa and MasterCard accepted. Sorry, no refunds unless the program is cancelled. There will be a \$20.00 fee charged for each returned check. Min 8/Max 15 Students.

LOCATION: Class is held at the Recreation Center, 32 Court Street, Exeter
